

DRINK LIST

Complementing the rich history of Casa Marina,
The Canary Room is inspired by the work of influential
American novelist and local resident, Ernest Hemingway.

Like Casa Marina, Hemingway's short story 'A Canary
for One' fortuitously nods to heritage in the railway
era. In the charming story, Hemingway tells a tale of a
train headed to Paris in the early 1920's with a traveler
transporting a canary for her daughter.

Welcome to the Canary Room,
please sit and stay awhile.
